Easy Terms!!!

THE OREGON LAND COMPANY

Has just purchased 800 acres, situated from three to four and one-half miles east
of Salem, which they will immediately plat and survey and sell in

Ten Acre Lots.

This land has been carefully selected with special reference to its adaptability to
fruit raising and desirability for residence purposes, and

Each Lot will Front on a Good Road and Have a Good Front Fence.

The time for the residents of Salem to buy ten acres of choice land near the city
very cheap will soon be past. The OREGON LAND COMPANY alone sold during
August twenty-six ten acre fruit lots, and some of the same lots have already

Been re-sold at a HANDSOME ADVANCE IN PRICE.

There are many persons in Salem who could buy one of these lots and pay for it
without inconvenience. In fact any person receiving even a small salary can buy one
of these lots by making a small cash payment, and paying the remainder in semi-
annual installments, and by practicing a little economy for a short time be the owner
of a property which can be made (when set to fruit) to produce

As Large an Income as is Obtained from 100 Acres of Grain Land.

The value of these lots is not dependent upon any prospective boom, but depends
upon what they will actually produce now, and what that product will now bring in
the market.

If You are Thinking of Securing a Home

Do not fail to see these lots. If you have money to invest do not fail to look at these
lots before investing.

If You Want to Save a Part of Your Earnings

And at the same time make a first-class investment buy one of these lots on the
installment plan.

A WORTHY ENTERPRISE.

On May 1st, last, about four months ago,
Dr. Gilbert opened an office and sanitarium
in the bank block, Salem, and advertised
to treat chronic diseases on scientific
principles. Since that time his practice
has been steadily increasing—so much so
that he was obliged to secure more room
and increasing facilities, and now finding
himself unable to attend to his numerous
patients, he has entered into partnership
with Dr. M. W. Wemp, of Detroit, Michi-
gan, a physician and surgeon of large ex-
perience, thoroughly competent, and a
specialist in disease of the eye, ear, throat
and nasal cavities—who has come with
his family to make his home in Salem.
The new firm will be known as Drs. Gil-
bert & Wemp and will occupy the com-
modious rooms in the bank block, for
office and sanitarium, and will conduct
their business under the name and style
of The Oregon Medical and Surgical Institute. It is
their intention to spare neither pains nor
expense in their efforts to make this the
most complete institution for the treat-
ment of all forms of diseases, especially
chronic, in the northwest.Medicated vapor baths, electro-magnet-
ism, oxygen and massage, together with
all modern and scientific appliances for
the thorough cure of disease, will be used.
Examinations will be free, and charges
strictly moderate. Address Drs. Gilbert
& Wemp, Bank block, or postoffice box 176,
Salem, Oregon.
